Dear Joe:

Enclosed is a letter, a Career Medal, and the FBIS Retirement Plaque for [redacted] scheduled to retire soon.

STAT

As you know we designed the FBIS Career Medal to honor those foreign national employees who have been exceptional employees, roughly comparable to the Career Intelligence Medal we award to U.S. employees similarly honored. The FBIS Career Medal is awarded only after approval by the FBIS Career Service Panel and the Director, FBIS, based on a review of the performance of the employee during his or her career.

[redacted] was certainly one of the mainstays of the FBIS Panama Bureau and was in fact one of the first foreign national employees we hired at the original Panama operation. I hope you will present it to her at an appropriate ceremony.

STAT

Sincerely,

[redacted]
